Registered office is at 7 avenue de Scandinavie, ZA de Courtaboeuf, 91940 Les Ulis, France

The corporation is registered with the Commercial and Company Register of Evry under identification number 414 488 171 RCS Evry.

The person in charge of the information published on this Site is **Jean-Michel Carle**.

This Site is hosted by OVH.

### Compliance with Privacy Law:

The purpose of this Site is not to collect individual personal data, nor to receive individual confidential information, except to respond to questions efficiently.

However, under statute n° 78-17 of January 6, 1978 regarding informatics and privacy law, you may oppose (article 26) access (articles 34-38) and request corrections (article 36) of any personal data. In order to do so, you may contact us in order to have such data corrected or updated, deleted when inaccurate, incomplete, ambiguous or outdated, or when collection or preservation of such data is prohibited.

Personal data are only for use by Eurobio Scientific and shall not be communicated to third parties, including commercial partners etc.

### Cookies:

Website users visiting this Site are informed that when browsing, a cookie may automatically be installed on their navigation browser. Cookies are software devices that do not allow for the identification of the browser, but are designed to collect information about the number of visits on the Site. The website user may un-activate such cookies by using parameters of their navigation software.

### Intellectual Property:

This Site, its general structure and the information, pictures, whether animated or not, know-how, trademarks, designs, graphics (...) and any element thereon are the property of Eurobio Scientific, or of partners or clients who have authorized Eurobio Scientific to reproduce such information. Any reproduction of portions or the whole Site by any process whatsoever without Eurobio Scientific's express consent is prohibited and constitutes an infringement under provisions of article L 335-2 et seq. of French Intellectual Property Code (“CPI”). Trademarks and logos on this Site are used or registered. Any reproduction in whole or in part of such marks and logos made from this Site without express consent is prohibited under Article L 713-2 of CPI.

The following mention must be on any authorized copy of the whole or part of the Site content:

“Copyright 2020 Eurobio Scientific – All rights reserved”

### Nature of Site Information:

Information, in particular financial information, published on this Site is not and may not be considered as a solicitation to invest, an offer to subscribe, or a public offering to purchase, or exchange Eurobio Scientific securities. Financial information is updated regularly.

In addition, this Site may present information about health and medical treatments. Such information does not constitute and may not be considered as medical advice. You may not use such information for diagnostic or therapeutic purposes, nor to prescribe or use any drug or medication. You must consult with a physician or a pharmacist.

Expert opinions reproduced on this Site are their personal opinion and may not be interpreted as reflecting Eurobio Scientific's opinion.

The existence of a link from this Site to other websites does not mean that Eurobio Scientific approves or condones the content of such other websites and Eurobio Scientific may not be held responsible there for.

**Limitation of Liability:**

Eurobio Scientific is using diligence in order to insure the accuracy, completeness and updating of information published on this Site and reserves the right to correct, at any time and without advance notice, any information content of this Site. Consequently, Eurobio Scientific may not be held liable for any damage caused by the use of information published on this Site by anyone, or for any purpose. Eurobio Scientific also reserves the right to interrupt access to this Site at any time , temporarily or permanently, or to modify, perform maintenance of the Site and may not be held liable in case of any such interruption.
