

2019-nCoV Nucleocapsid Protein

Model	STJ11101218
Host	E.coli
Applications	ELISA
Gene ID	43740575
Gene Symbol	Nucleocapsid Protein
Dilution range	Supplied as a 0.22 μ m filtered solution in 20mM Tris, 500mM NaCl, 0.1mM EDTA, 10% glycerol, pH8.0
Note	FOR RESEARCH USE ONLY (RUO).
Isotype	IgG
Storage Instruction	This product is stable at $\leq 70^{\circ}\text{C}$ for up to 1 year from the date of receipt. For optimal storage, aliquot into smaller quantities after centrifugation and store at recommended temperature. Avoid repeated freeze-thaw cycles.
Alternative Names	Nucleocapsid protein, NP, Nucleoprotein, cov np, Protein N, COVID-19
